Dear Ms Stapleton

**Re: Variation to Queensland Rail's Enforceable Voluntary Undertaking (EVU)**

I refer to Queensland Rail's request, dated 16 June 2023, to seek a variation to EVU initiatives as contained in 'EVU Appendix 1 – Trackside Safety Initiatives' (Proposed Variation). I acknowledge the regular communications that have occurred regarding this request with the Brisbane office of the Office of the National Rail Safety Regulator (ONRSR).

In accordance with Section 256 (1)(b) of the Rail Safety National Law (RSNL) I hereby approve Queensland Rail's variation request as detailed in the updated 'EVU Appendix 1 – Trackside Safety Initiatives' of the Proposed Variation to:

- > amend the wording for EVU Initiative 1B; and
- > extend the baseline completion date for Initiative 1B; and
- > extend the target verification date for Initiative 1B.

Please note that in accordance with Section 256 (3) of the RSNL this decision will be published on the Enforceable Voluntary Undertaking Register on the ONRSR website.

Should you require any further information or clarification, please contact Greg Wagner by email at [greg.wagner@onrsr.com.au](mailto:greg.wagner@onrsr.com.au) or on 0459 836 684.

Yours sincerely,

Peter Doggett  
**Acting National Rail Safety Regulator**
