Our Vision

Safe railways for Australia

Our Values

- Integrity:** *We have moral courage and are honest and straightforward in our approach.*
- Respect:** *We have respect for each other and our stakeholders.*
- Independence:** *Our decision making is responsive and free from bias and influence.*
- Diligence:** *We persevere and apply ourselves in a conscientious manner.*
- Excellence:** *We are professional, high performing and strive for continuous improvement.*

Actions

- > Evidence based reform
- > Multi-channel
